OPERATING RULES

use of bike parking boxes

1. The Owner and Operator of the bike parking boxes is the Town of Dolný Kubín.
2. The bike boxes are intended for public use as storage racks for bicycle parking.
3. The bike boxes are lockable, the users lock them **with their own locks**.
4. By placing their bicycles in the boxes, the users agree with these OPERATING RULES.
5. Bike box users **shall**:
 - a) use bike boxes in accordance with these OPERATING RULES,
 - b) behave in the vicinity of the bike boxes so as not to cause damage to the bike box facilities,
 - c) keep the bike boxes and the surrounding area clean and in order.
6. It **is forbidden** to:
 - a) damage bike box locking system and constructional or other elements located around the bike boxes,
 - b) keep objects **other than bicycles** in the bike boxes.
7. In case of any technical problems with the bike boxes (opening, closing, etc.) please call 159 on weekdays (Monday to Friday) from 6:00am to 4:00pm.

8. The maximum **parking time of bicycles in the bike boxes is 48 hours**. After this period, the bike box will be opened by the Operator destructing the lock and the bike box content will be stored for 30 calendar days. The bike box content will be given to the owner during the given period if the proprietary right is proven and the necessary custody costs are paid, otherwise the bike box content will be disposed of after that period.

9. Users put things into the bike boxes at their own expense, own responsibility and their own risk. The Operator is not responsible and is not liable for damage incurred to the objects stored in the bike boxes.

10. If the user of the bike box finds out that the bike box has been unlawfully opened, he/she shall inform the Municipal Police of Dolný Kubín or the Police Force of the Slovak Republic and he/she must not manipulate with the bike box until they arrive.

The above OPERATING RULES were approved on May 14, 2019 and they enter into force on the date of approval.
